2010 Montana Library Directory

Dear Friends:

Darlene Staffeldt
State Librarian

I hope that you'll find this directory helpful for a variety of purposes. To improve the accuracy and the currency of the directory, we have only published full information from libraries that have updated or verified their listing since January 2009. Thank you to those library staff members who took the time to do so. Libraries that have not updated or verified their listing since January 2009 have a partial listing consisting of the library name, mailing address, and phone number. We have also included the date when the information was last updated or verified. If the library has never updated or verified its listing, the date field reads N/A.

Updating or verifying your library's information is easy – just follow these steps:

- Go to the Montana Library Directory
  http://www.msl.mt.gov/For_Librarians/Library_Directory/default.asp
- Click the "Edit" button.
- Use the drop-down lists to narrow the search for your library, and then click the "Search" button.
- Click on the name of your library. This will bring you to your library's login screen.
- Enter the password that you use to access your library's directory listing. (If you don't have your password, choose "Help!!! I can't remember my password!").
- Click on the "Login" button. This will bring you to the Main Menu.
- From the Main Menu, update or verify your library, employee, and board information as needed. Always use the "Buttons" at the bottom of each page to submit your updated or verified information to the State Library.

As in past years, the Montana State Library provides each library that updated its listing within the time allowed one paper copy of the directory. If you would like more copies, we also offer this publication online. To obtain the most current library contact information or to print a copy of this document, go to the Montana Library Directory at http://www.msl.mt.gov/For_Librarians/Library_Directory/default.asp. We encourage you and your staff members to use these online versions.

We welcome your questions and comments about this publication. Please contact our office at (406) 444-3115.

Sincerely,

Darlene Staffeldt

Our library has an archives room with all of the past newspapers from the community. We have a Montana History collection along with Montana authors past and present. We have up to to date best sellers that we get through the McNaughton Book Rental Service, and through Landmark Audio Adult fiction that the library rents. The community is very proud of their library.
