*If they asked me, I could write a book
About the way you walk and whisper and look
I could write the preface on how we met
So the world would never forget*

*If they asked me, I could write a book
About the way you walk and whisper and look
I could write the preface on how we met

*If they asked me, I could write a book

I could write the preface on how we met
So the world would never forget*

*And the simple secret of the plot
Is just to tell them that I love you a lot.
Then the world discovers as my book ends
How to make two lovers of friends.*
