

Tutor.com To Go™

Tutor.com is the first online tutoring services company to build a mobile application for use on the iPhone, iPad or iPod Touch. Tutor.com To Go™ connects users to a live tutor anytime, anywhere for help with any type of homework question, exam or essay paper.

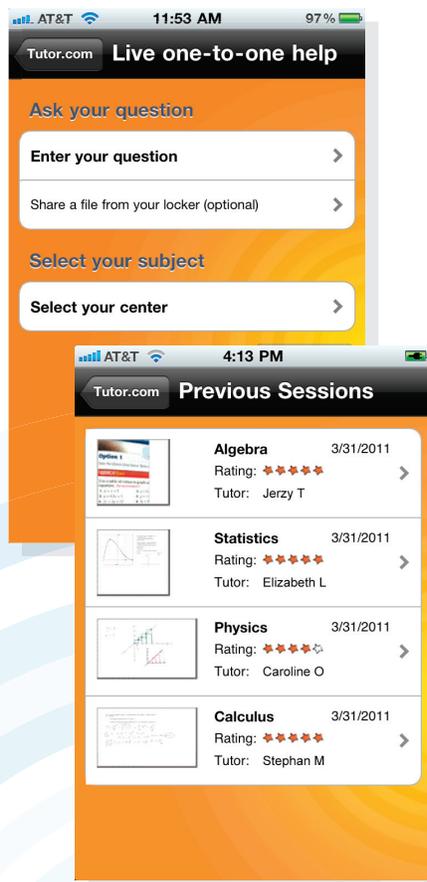

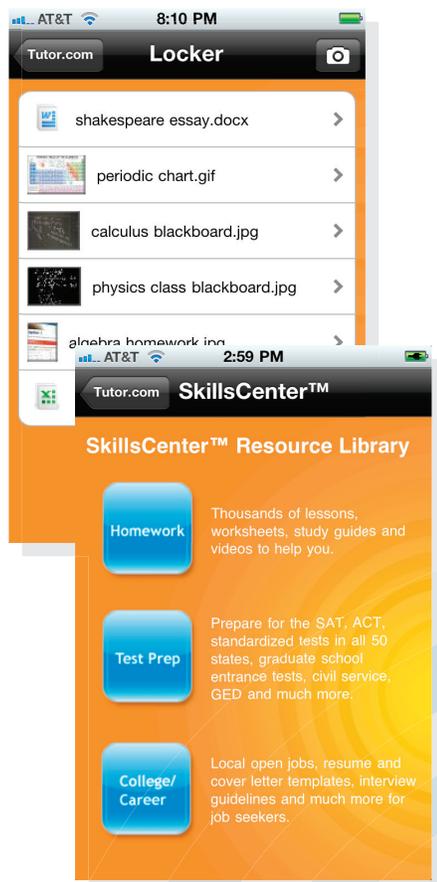

Get Tutor.com To Go today at
www.tutor.com/togo

The standout features of Tutor.com To Go include:

- **Instant Connection** - 24/7 live connection to a tutor on any mobile device*
- **Mobile Locker** - store homework documents or previous tutoring sessions to review at a later time
- **SkillsCenter Resource Library** - access to thousands of educational resources including videos, worksheets and practice tests

I love this! I can be in the waiting room of a doctor's office and connected to a chemistry tutor!! :)

- 10th Grade Chemistry student

I am definitely recommending this app to all of my friends! I really struggle with math and this is the perfect solution! THANKS SO MUCH!

- 7th Grade Math student

This was my first time using this, and I LOVE it. I especially like that it works well on my iPad. Thanks!

- College Algebra student

This is soooooo cool! Within a few seconds, I got an answer! Amazing and awesome! I would recommend this to anybody!!!!

- Earth Science student

I love Tutor.com to Go!!! This is a great way to understand math and other subjects!!! And I'm very happy to use this for FREE from the Military!!! Army is the BEST!!!!
