

**Montana Library Network Virtual Programming
Presents:**

Understanding Medicare

This program provides an overview of eligibility and enrollment of the Medicare program.

How and when to enroll in Medicare, the various enrollment periods, Medicare Part A, Part B, Part C, Part D, working past age 65 and enrolling in the Special Enrollment Period (SEP).

What are your options? Learn how to review your plan, choose or change your Medicare health and prescription drug plans during the upcoming Medicare's Open Enrollment Period.

September 17th 2026 - 6:30 to 8:00 on Zoom

Free and open to all
