Presents:

Bat Week Special! With Shannon Hilty

Shannon Hilty is the state bat biologist for Montana Fish, Wildlife & Parks and has over 17 years of research and management experience related to bats. For Bat Week Shannon is joining us to discuss her efforts in developing Montana Fish, Wildlife & Parks Bat Monitoring Program, a collaborative effort between numerous state and federal entities.

October 28th 2026 6:30-8:00 PM on Zoom
