

As judges turn in score sheets for each age group record the totals and add the three scores together for a total. Top score is winner, Second top score is runner up. Have judges score tied projects against each other to break ties.

**At Home 9 to 13 year olds**

| Contestant Name | Build Title | Contestant Number | Judge 1 score | Judge 2 score | Judge 3 score | Total Score |
|-----------------|-------------|-------------------|---------------|---------------|---------------|-------------|
|                 |             | 1100              |               |               |               |             |
|                 |             | 1101              |               |               |               |             |
|                 |             | 1102              |               |               |               |             |
