

Score each project by circling the portion on the rubric that matches the quality of the project for each of the three categories. The highest available score is 12 points.

Project # _____

	4 points	3 points	2 points	1 point
<i>Creativity</i>	Shows creative interpretation.	Show's student's ability to think "outside the box".	The design shows some creativity.	No evidence of original thought.
<i>Interpretation (completeness)</i>	There is great attention to detail.	With more effort, the project might have been outstanding.	The work appears to be unfinished.	Project is incomplete or lacks attention to details.
<i>Visual impact (overall quality)</i>	The work has the power to "WOW" the viewer.	The work has lasting impact on the viewer.	The work holds the viewer's attention.	The work does not have visual impact.

Total Score _____
