

## Citing Sources

Except for entire collections and contributors all item types within the Portal can be cited on a computer. The mobile version of this site does not offer the citation feature. These citations are in APA format and are generated automatically within the Portal.

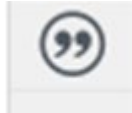

The steps below will walk you through this process.

Search for and click the item to be cited.

The screenshot shows the Montana History Portal interface. At the top, the logo for the Montana State Library is on the left, and the title 'MONTANA HISTORY PORTAL' is in the center. Navigation links for 'Collections', 'Contributors', and 'Exhibits' are below the title. A search bar contains the text 'Archie Bray' with a search button and a 'Reset' button. Below the search bar, there are options to 'Uncheck All / Check All', 'Download', 'Contact Us', 'My Collections', 'Share', and 'Compare'. A '12 results found' message is displayed. A 'Filter by' sidebar on the left shows 'ITEM TYPE' with a dropdown arrow, and a list of filters: 'ALL ITEM TYPES (REMOVE FILTER)', 'Audio' (34), 'Collection' (1), 'Contributor' (1), and 'Document' (12). The main content area displays three search results, each with a thumbnail, title, item type, contributing institution, and digital collection link. The first result is 'Drumlummon views: the online jo...' with item type 'Document' and contributing institution 'Montana Historical Society Library and Archives'. The second result is 'Drumlummon views: the online jo...' with item type 'Document' and contributing institution 'Montana Historical Society Library and Archives'. The third result is 'Drumlummon views: the online jo...' with item type 'Document' and contributing institution 'Montana Historical Society Library and Archives'.
