17.2 Right to Assurance. If State, in good faith, has reason to believe that Contractor does not intend to, is unable to, or has refused to perform or continue performing all material obligations under this Contract, State may demand in writing that Contractor give a written assurance of intent to perform. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

18.2 Termination for Cause with Notice to Cure Requirement. Contractor may terminate this Contract for State's failure to perform any of its duties under this Contract after giving State written notice of the failure. The written notice must demand performance of the stated failure within a specified period of time of not less than thirty (30) days. If the demanded performance is not completed within the specified period, the termination is effective at the end of the specified period.

18.3 Reduction of Funding. State must, by law, terminate this Contract if funds are not appropriated or otherwise made available to support State's continuation of performance of this Contract in a subsequent fiscal period. (18-4-313(4), MCA) If state or federal government funds are not appropriated or otherwise made available through the state budgeting process to support continued performance of this Contract (whether at an initial contract payment level or any contract increases to that initial level) in subsequent fiscal periods, State shall terminate this Contract as required by law. State shall provide Contractor the date State's termination shall take effect. State shall not be liable to Contractor for any payment that would have been payable had the Contract not been terminated under this provision. As stated above, State shall be liable to Contractor only for the payment, or prorated portion of that payment, owed to Contractor up to the date State's termination takes effect. This is Contractor's sole remedy. State shall not be liable to Contractor for any other payments or damages arising from termination under this section, including but not limited to general, special, or consequential damages such as lost profits or revenues.

18.4 Noncompliance with Department of Administration Requirements. The Department of Administration, under the provisions of 2-17-514, MCA, retains the right to cancel or modify any contract, project, or activity that is not in compliance with the Department's Plan for Information Technology, State Strategic Plan for Information Technology, or any Statewide IT policy or standard in effect as of the date of contract execution. In the event of such termination, State will pay for products and services delivered to date and any applicable termination fee specified in the statement of work or work order. Any modifications to this Contract must be mutually agreed to by the parties.

19. EVENT OF BREACH – REMEDIES

19.1 Event of Breach by Contractor. Any one or more of the following Contractor acts or omissions constitute an event of material breach under this Contract:

- Products or services furnished fail to conform to any requirement;
- Failure to submit any report required by this Contract;
- Failure to perform any of the other terms and conditions of this Contract, including but not limited to beginning work under this Contract without prior State approval or breaching section 24.1, Technical or Contractual Problems, obligations; or
- Voluntary or involuntary bankruptcy or receivership.

19.2 Event of Breach by State. State's failure to perform any material terms or conditions of this Contract constitutes an event of breach.

- Terminate this Contract under Section 18.1, Termination for Cause with Notice to Cure and pursue any of its remedies under this Contract, at law, or in equity; or
- Treat this Contract as materially breached and pursue any of its remedies under this Contract, at law, or in equity.

Upon State's material breach, Contractor may:

- Terminate this Contract under section 18.2, Termination for Cause with Notice to Cure, and pursue any of its remedies under this Contract, at law, or in equity; or
- Treat this Contract as materially breached and, except as the remedy is limited in this Contract, pursue any of its remedies under this Contract, at law, or in equity.

20. FORCE MAJEURE

Except for payment when due, neither party is responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party uses its best efforts to remedy such failure or delays. A party affected by a force majeure condition shall provide written notice to the other party within a reasonable time of the onset of the condition. In no event, however, shall the notice be provided later than five working days after the onset. If the notice is not provided within the five-day period, then a party may not claim a force majeure event. A force majeure condition suspends a party's obligations under this Contract, unless the parties mutually agree that the obligation is excused because of the condition.

21. WAIVER OF BREACH

Either party's failure to enforce any contract provisions after any event of breach is not a waiver of its right to enforce the provisions and exercise appropriate remedies if the breach occurs again. Neither party may assert the defense of waiver in these situations.

22. CONFORMANCE WITH CONTRACT

No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the Contract shall be granted without the State Procurement Bureau's prior written consent. Product or services provided that do not conform to the Contract terms, conditions, and specifications may be rejected and returned at Contractor's expense.

23. LIAISONS AND SERVICE OF NOTICES

23.1 Contract Liaisons. All project management and coordination on State's behalf must be through a single point of contact designated as State's liaison. Contractor shall designate a liaison that will provide the single point of contact for management and coordination of Contractor's work. All work performed under this Contract must be coordinated between State's liaison and Contractor's liaison.

provided by personal service, mail, or facsimile. If notice is provided by personal service or facsimile, the notice is effective upon receipt; if notice is provided by mail, the notice is effective within three business days of mailing.

23.3 Identification/Substitution of Personnel. The personnel identified or described in Contractor's proposal shall perform the services provided for State under this Contract. Contractor agrees that any personnel substituted during the term of this Contract must be able to conduct the required work to industry standards and be equally or better qualified than the personnel originally assigned. State reserves the right to approve Contractor personnel assigned to work under this Contract and any changes or substitutions to such personnel. State's approval of a substitution will not be unreasonably withheld. This approval or disapproval shall not relieve Contractor to perform and be responsible for its obligations under this Contract. State reserves the right to require Contractor personnel replacement. If Contractor personnel become unavailable, Contractor shall provide an equally qualified replacement in time to avoid delays to the work plan.

24. MEETINGS

24.1 Technical or Contractual Problems. Contractor shall meet with State's personnel, or designated representatives, to resolve technical or contractual problems occurring during the Contract term or to discuss the progress made by Contractor and State in the performance of their respective obligations, at no additional cost to the State. State may request the meetings as problems arise and will be coordinated by State. State shall provide Contractor a minimum of three full working days' notice of meeting date, time, and location. Face-to-face meetings are desired; however, at Contractor's option and expense, a conference call meeting may be substituted. Contractor's consistent failure to participate in problem resolution meetings, Contractor missing or rescheduling two consecutive meetings, or Contractor's failure to make a good faith effort to resolve problems may result in termination of the Contract.

24.2 Progress Meetings. During the term of this Contract, State's Project Manager shall plan and schedule progress meetings with Contractor to discuss Contractor's and State's progress in the performance of their respective obligations. These progress meetings will include State's Project Manager, Contractor's Project Manager, and any other additional personnel involved in the performance of this Contract as required. At each meeting, Contractor shall provide State with a written status report that identifies any problem or circumstance encountered by Contractor, or of which Contractor gained knowledge during the period since the last such status report, which may prevent Contractor from completing any of its obligations or may generate charges in excess of those previously agreed to by the parties. This may include the failure or inadequacy of State to perform its obligation under this Contract. Contractor shall identify the amount of excess charges, if any, and the cause of any identified problem or circumstance and the steps taken to remedy the same.

24.3 Failure to Notify. If Contractor fails to specify in writing any problem or circumstance that materially affects the costs of its delivery of services or products, including a material breach by State, about which Contractor knew or reasonably should have known with respect to the period during the term covered by Contractor's status report, Contractor shall not be entitled to rely upon such problem or circumstance as a purported justification for an increase in the price for the agreed upon scope.

24.4 State's Failure or Delay. For a problem or circumstance identified in Contractor's status report in which Contractor claims was the result of State's failure or delay in discharging any State obligation, State shall review same and determine if such problem or circumstance was in fact the result of such failure or delay. If State agrees as to the cause of such problem or circumstance, then the parties shall extend any deadlines or due dates affected thereby and provide for any additional charges by Contractor. This is Contractor's sole remedy. If State does not agree as to the cause of such problem or circumstance, the parties shall each attempt to resolve the problem or circumstance in a manner satisfactory to both parties.

25. TRANSITION ASSISTANCE

If this Contract is not renewed at the end of this term, if the Contract is otherwise terminated before project completion, or if particular work on a project is terminated for any reason, Contractor shall provide transition assistance for a reasonable, mutually agreed period of time after the expiration or termination of this Contract or particular work under this Contract. The purpose of this assistance is to allow for the expired or terminated portion of the services to continue without interruption or adverse effect, and to facilitate the orderly transfer of such services to State or its designees. The parties agree that such transition assistance is governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to such transition assistance. State shall pay Contractor for any resources utilized in performing such transition assistance at the most current Contract rates. If State terminates a project or this Contract for cause, then State may offset the cost of paying Contractor for the additional resources Contractor utilized in providing transition assistance with any damages State may have sustained as a result of Contractor's breach.

26. CHOICE OF LAW AND VENUE

Montana law governs this Contract. The parties agree that any litigation concerning this bid, proposal, or this Contract must be brought in the First Judicial District in and for the County of Lewis and Clark, State of Montana, and each party shall pay its own costs and attorney fees, except as provided in Section 8, Defense, Indemnification/Hold Harmless.

If, and to the extent, any conflict exists between the MSA, including any Schedules adopted with the MSA, and this Contract, the provisions of this Contract control.

31.3 Entire Agreement. These documents are the entire agreement of the parties. They supersede all prior agreements, representations, and understandings. Any amendment or modification must be in a written agreement signed by the parties.

32. WAIVER

Section 2 Scope & Construction

This Agreement establishes the general terms and conditions for the provision of Products and Services. Additional Product or Service-specific terms and conditions are set forth in one or more schedules (“Schedules”), and are made a part of this MSA. In case of a conflict in terms between the MSA and any applicable Schedule, the terms and conditions of the Schedule shall prevail. If Institution orders additional Products or Services after its initial order and such order includes a master services agreement with the Schedule, this initial, executed MSA controls in lieu of such attached master services agreement. The terms of this Agreement shall apply to all contemporaneous agreement between Institution and OCLC. This Agreement is entered into with Institution in conjunction with Institution’s contracts for cataloging and interlibrary loan group services (LIB21-0019LS) and for the Montana Memory Project content management system (LIB21-0023LS). If, and to the extent, any conflict exists between this Agreement and those Institution contracts, the provisions of those contracts shall control.

Section 4 Products and Services

- 4.1 **General.** OCLC will provide Institution those Products and Services to which it subscribes, in accordance with this Agreement and as described in the version of each Product or Service’s respective Product Description active on the Effective Date. Product Descriptions and brochures can be found at <https://www.oclc.org/en/services.html>. Institution shall provide OCLC with the assistance and information OCLC reasonably needs to perform the Services properly or where OCLC otherwise reasonably requests. OCLC shall not be liable for any failure to perform its obligations arising from Institution’s failure to provide such assistance or information.
- 4.2 **License.** Subject to the terms of this Agreement and the applicable Schedule(s), Institution’s license to use the Products and Services identified in the executed Schedules may be pursuant to a hosted license (for Hosted Services) or a non-hosted license (for Products). For Products paid for by Institution, OCLC grants Institution a nonexclusive, nontransferable license to install and use the Product solely for the noncommercial purposes described in the Product Description and the applicable Schedule. For Hosted Services subscribed to by Institution, OCLC will provide access to the Hosted Service, and if applicable a license to install and use any local software components of the Hosted Service, all solely for the noncommercial purposes described in the Product Description and the applicable Schedule.
- 4.3 **Modifications.** OCLC may change or modify a Product or Service from time to time in its discretion. OCLC shall notify Institution should there be any material changes to the respective Product or Service by such means as reasonably determined by OCLC. Any new Product or Service functionality made available by OCLC shall be subject to this Agreement.
- 4.4 **Support.** Support services will be provided in accordance with the support service description available at <http://www.oclc.org/support/home.en.html>. Generally email support is available at support@oclc.org and telephone support is available at 1-800-848-5800.
- 4.5 **OCLC Intellectual Property.** OCLC and/or its licensors or suppliers are the exclusive owners of and retain all right, title, and interest (including all copyrights, trademarks, patents, and any other proprietary rights) to the Products, Services, WorldCat, and all other materials produced or provided by OCLC. All rights not expressly granted by OCLC are reserved.

4.6 Limitations. Institution shall only use the Products and Services in accordance with the terms of this Agreement and for the purposes specified in the Product Descriptions.

Section 5 Term and Termination

- 5.1 Term.** This Agreement shall commence on the Effective Date and shall remain in full force and effect until all active Schedules are terminated in accordance with Section 5.2. Unless otherwise specified in a pricing document, individual Schedules shall commence upon execution and shall remain in full force and effect for the duration that Institution has access to the applicable Products or Services.
- 5.2 Termination.** This Agreement or individual Schedules may be terminated in one of the following ways:
- By either party, effective at the end of the initial subscription period or any renewal period, by providing the other party with at least 30 days prior written notice of its desire to not renew a Product or Service;
 - By either party if the other party becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for all or a substantial part of its property, is subject to any proceeding under any bankruptcy or insolvency law, or has wound up or liquidated, voluntarily or otherwise;
 - By the non-breaching party if a party commits a material breach of its obligations under this Agreement and has not cured such breach or failure within 30 days of receiving written notice from the non-breaching party. OCLC reserves the right, however, to immediately suspend Institution's access to the OCLC Services in the event of Institution's material breach until such time as the material breach is cured; or
 - As otherwise explicitly provided in this Agreement.
- 5.3 Effect of Termination.** Termination of this Agreement shall terminate all Schedules, termination of a Schedule will not terminate the Agreement or any other Schedule. Upon termination of this Agreement or any Schedule, the rights granted by OCLC in the applicable Schedule or Agreement are terminated unless otherwise provided in such Schedule. After termination and upon request, OCLC will promptly return or destroy all applicable Institution Data, except however, OCLC may retain Institution Data in back-up files provided that the confidentiality and security obligations contained herein shall apply. OCLC will provide Institution access to Institution Data for 90 days after the effective date of termination, after which, OCLC shall have no obligation to maintain any Institution Data.

Section 6 Fees and Payment Terms

- 6.1 Fees.** Institution shall pay the applicable charges based on their agreed upon pricing document or, in the absence of an agreed upon pricing document, OCLC's prevailing price for the Products and Services. Fees are exclusive of any taxes and shall be paid in the currency and to the address stated on the invoice. Institution shall pay such tax to OCLC or other entity, as appropriate. Institutions exempt from taxation shall supply a valid exemption certificate upon request. Institution's failure to fully pay any fees or taxes within 60 days after the applicable due date will be deemed a material breach of this Agreement, justifying OCLC's suspension of Products and Services.
- 6.2 Price Changes.** OCLC reserves the right to change any price/fee, provided that OCLC provides Institution written notice of the change at least 60 days prior to the date the change is to become effective. Notwithstanding the foregoing, OCLC will not change any prices/fees contained in an agreed to price quote or renewal notice prior to the expiration of the quote or renewal notice.
- 6.3 Non-refundable.** Institution will not be entitled to a refund of any implementation or pre-paid fees under this Agreement unless (i) OCLC terminates the Agreement or a Schedule pursuant to Section 5.2 (a), or (ii) Institution terminates the Agreement or a Schedule pursuant to Section 5.2 (c); in which event, OCLC will refund that portion of fees pre-paid by Institution corresponding to the period after termination.

Section 7 Disclaimer

EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE PRODUCTS AND SERVICES ARE PROVIDED "AS IS" AND OCLC AND ITS THIRD PARTY SUPPLIERS DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE PERFORMANCE OF THE PRODUCTS OR SERVICES, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR ANY IMPLIED WARRANTY ARISING BY USAGE OF TRADE, COURSE OF DEALING OR COURSE OF PERFORMANCE. OCLC MAKES NO REPRESENTATIONS OR WARRANTIES THAT THE PRODUCTS AND SERVICES WILL ALWAYS BE ACCESSIBLE, FREE OF HARMFUL COMPONENTS, ACCURATE OR ERROR-FREE. IN NO EVENT WILL OCLC BE LIABLE FOR ANY LOSS ARISING OUT OF FAILURE OF THIRD PARTY PRODUCTS OR SERVICES OR OTHER EVENTS OUTSIDE OF OCLC'S REASONABLE CONTROL. THIS SECTION WILL NOT APPLY TO DAMAGES THAT CANNOT BE EXCLUDED BY LAW (IN WHICH EVENT THE LIABILITY SHALL BE LIMITED TO THE FULLEST EXTENT PERMITTED).

Section 8 Privacy and Security

- 8.1 Data Security.** OCLC has implemented and shall maintain commercially appropriate, reasonable and customary controls to ensure the security, confidentiality, and protection against unauthorized access to, use, or disclosure of Internal Data. Institution shall obtain and maintain all necessary consents from all users for OCLC to provide the Service and for Institution's and users' access, monitoring, use, disclosure, and transfer of Internal Data.

- 8.2 Audit.** OCLC will (i) implement administrative, physical, and technical safeguards in accordance with accepted industry practices including conducting audits in accordance with the ISO/IEC 27001 standard (or subsequent comparable standard) and (ii) as reasonably requested by Institution, provide Institution with a copy of the certificate of registration for such standard along with any relevant reported deficiencies regarding non-compliance together with corrective action plans for addressing such deficiencies identified in the report.
- 8.3 Nondisclosure of Internal Data.** OCLC shall hold all Internal Data in strict confidence and with the same standard of care it uses to protect its own information of a similar nature and shall not use Internal Data for any purpose other than to provide the Service or as may be authorized in writing by Institution. OCLC shall not disclose Internal Data to any other party except: (a) to OCLC employees, agents, subcontractors and service providers, to whom Internal Data needs to be disclosed for the purpose of providing the Service; (b) as required by law, or to respond to duly authorized information requests of police and governmental authorities or to comply with any facially valid subpoena or court order; (c) to protect the rights or property of OCLC or OCLC customers, including the enforcement of OCLC agreements or policies governing Institution's use of the Service; (d) to involve and cooperate with law enforcement or the appropriate legal authorities in investigations, and to protect Systems and OCLC's customers, or (e) as authorized by Institution in writing.
- 8.4 Prohibitions.** Institution expressly warrants that it will not enter, submit, transfer, or store in the Service any of the following types of information: Social Security Numbers (or other national identification numbers), financial account numbers, credit card or debit card numbers. OCLC will have no liability, and Institution expressly releases OCLC from any liability, associated with the loss, theft, disclosure or misuse of such information.
- 8.5 Data Transfer.** As part of providing Services, OCLC may store and process Institution Data in the United States or any other country in which OCLC or its affiliates, subsidiaries, or agents maintain facilities. By using the Service, Institution consents to this transfer, processing, and storage of Institution Data to or by OCLC, its service providers, and affiliates subsidiaries or agents, over state and international borders as necessary to provide the Service in accordance with OCLC's standard business practices.
- 8.6 Unauthorized Disclosures.** OCLC will promptly notify Institution in the event of a verified breach of non-public personal data unless such breach is unlikely to result in material harm to Institution or the data subject, or as otherwise provided by law. Institution agrees that it shall be Institution's sole responsibility to determine whether a breach is subject to state, federal or national breach notification laws and requires breach notification ("Breach Notification"). In the event that Institution determines that a breach requires Breach Notification, OCLC agrees that it will reasonably cooperate with Institution in regards to Institution's Breach Notification obligations as specified in the applicable law, including Institution's investigation, enforcement, monitoring, document preparation, Breach Notification requirements, and reporting. Institution shall be solely responsible for notifying all individuals subject to Breach Notification, however OCLC reserves the right to first review all notifications before they are sent.

Section 9 Limitation of Liability

OCLC WILL HAVE NO LIABILITY FOR ANY INDIRECT, CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL, OR PUNITIVE DAMAGES FOR ANY MATTER ARISING FROM OR RELATING TO THIS AGREEMENT OR THE PRODUCTS AND SERVICES, INCLUDING BUT NOT LIMITED TO ANY UNAUTHORIZED ACCESS TO, OR ALTERATION, THEFT, LOSS, INACCURACY, OR DESTRUCTION OF INFORMATION OR DATA COLLECTED, STORED, DISTRIBUTED, OR MADE AVAILABLE VIA THE PRODUCTS AND SERVICES, INSTITUTION'S USE OR INABILITY TO USE THE PRODUCTS AND SERVICES, ANY CHANGES TO OR INACCESSIBILITY OF THE PRODUCTS AND SERVICES, ANY DELAY OR FAILURE OF THE SERVICES, OR FOR LOST PROFITS, OR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, EVEN IF OCLC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY EVENT, OCLC'S LIABILITY TO INSTITUTION FOR ANY REASON AND UPON ANY CAUSE OF ACTION WILL BE LIMITED TO THE AMOUNT INSTITUTION ACTUALLY PAID OCLC FOR THE INDIVIDUAL IMPLICATED OCLC PRODUCTS OR SERVICES COVERED UNDER THIS AGREEMENT OVER THE 12 MONTHS PRIOR TO WHICH SUCH CLAIM AROSE. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION IN THE AGGREGATE, INCLUDING, BUT NOT LIMITED TO, BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATIONS, AND OTHER TORTS. FEES UNDER THIS AGREEMENT ARE BASED UPON THIS ALLOCATION OF RISK. THIS SECTION WILL NOT APPLY TO DAMAGES THAT CANNOT BE LIMITED OR EXCLUDED BY LAW (IN WHICH EVENT THE LIABILITY SHALL BE LIMITED TO THE FULLEST EXTENT PERMITTED).

Section 10 Use of Products and Services

10.1 Institution Data

- a) **Ownership.** Institution, and/or its suppliers and affiliates, retains all right, title and interest (including, without limitation, all proprietary rights) to Institution Data, except for rights granted to OCLC and its affiliates under this Agreement. Institution is solely responsible for the accuracy, completeness, and legality of Institution Data. Institution is responsible for obtaining all permission and other rights necessary to provide Institution Data to OCLC. Institution will not provide OCLC with Institution Data that Institution does not have the right to provide for use in connection with the Products or Services.
- b) **License Rights.** Institution grants OCLC a global, non-exclusive, royalty-free, transferable and sub-licensable right to use the Internal Data to the extent necessary for the provision of the Products and Services. Institution grants OCLC, OCLC participants, non-participant users, and OCLC designees a global, perpetual, non-exclusive, royalty-free, transferable, and

sub-licensable right to host, reproduce, transmit, store, publish, distribute, modify, create derivative works from, and otherwise use Shared Data. Institution Data shall be supplied to OCLC in a format compatible for use with the Products and Services.

10.2 Confidentiality. Institution agrees to maintain the confidentiality of OCLC’s pricing information for 3 years from receipt by Institution, only to the extent maintenance of confidentiality does not conflict with Montana state law or such pricing information is not already publicly available. It shall not be a violation of this section to disclose information as required by applicable law (including public records acts), valid court order, or legal process.

10.3 Acceptable Use Policy (“AUP”)

- a) **General.** Institution agrees not to use, and not to allow third parties including users to use the Products or Services: (a) to distribute viruses, worms, Trojan horses, corrupted files, or other items of a destructive or deceptive nature; (b) to engage in or promote any unlawful, invasive, infringing, defamatory, or fraudulent activity; (c) to violate, or encourage the violation of, the legal rights of others; (d) to interfere with the use of a Product or Service, or the equipment used to provide Products or Services; (e) to use the Products or Services, or any part thereof, in a manner that violates the terms of service of any other Products or Services; (f) to generate, distribute, publish or facilitate unsolicited mass email, promotions, advertisements or other solicitations (“spam”); (g) to alter, reverse-engineer, interfere with, circumvent, copy, or create a derivative work of, any aspect of the Product or Service (except with the express, written consent of OCLC or applicable law specifically prohibits this restriction); (h) to omit, obscure or hide from any user any notice of a limitation of warranty, disclaimer, copyright, patent, trademark, trade secret or usage limitation or any splash screen or any other terms or conditions intended to be displayed to a user by OCLC or OCLC supplier; or (i) to post, send, or make available software or technical information in violation of applicable export controls laws. Institution agrees that OCLC is authorized to monitor communications into and out of the System to prevent the introduction of viruses or other hostile code, to prevent intrusions, provide support, and to otherwise enforce the terms of this Agreement. Institution agrees to reimburse OCLC for all reasonable and verifiable costs associated with OCLC’s compliance with governmental requests relating to Institution or Institution Data, including, but not limited to, warrants, subpoenas, and judicial orders. Notwithstanding the foregoing and to the extent permitted by law and law enforcement, OCLC will make reasonable efforts to notify Institution when a disclosure of Institution Data has or is to be made.
- b) **Credentials.** Institution shall exercise all commercially reasonable efforts to prevent unauthorized use of the Products and Services and is solely responsible for any and all use, including unauthorized use, of the Products and Services initiated using Institution’s credentials. Institution shall immediately notify OCLC of a suspected or actual loss, theft or disclosure of any credentials and of any unauthorized use of a Product or Service. Should OCLC become aware of unauthorized use of Institution’s credentials or unauthorized access to a Product or Service, OCLC may notify Institution and deactivate affected credentials. OCLC will provide Institution with administrative credentials to access and use the applicable Product or Service. Institution is responsible for authorizing user access to the Products or Services, assigning privileges, and creating, maintaining, and terminating accounts.
- c) **Enforcement by OCLC.** OCLC reserves the right to: (i) investigate any violation of this AUP or misuse of Products or Services; (ii) enforce this AUP; and (iii) remove or disable access, screen, or edit any Institution Data that violates these provisions. Without limitation, OCLC also reserves the right to report any activity (including the disclosure of appropriate Institution Data) that it suspects violates any law or regulation to appropriate law enforcement, regulators, or other appropriate third parties. OCLC may cooperate with appropriate law enforcement by providing network and systems information related to allegedly illegal or harmful content. VIOLATION OF THIS AUP MAY RESULT IN THE SUSPENSION OF OCLC SERVICES AND SUCH OTHER ACTION AS OCLC REASONABLY DEEMS APPROPRIATE. REPEATED OR WILLFUL VIOLATION OF THIS AUP MAY, IN OCLC’S SOLE DISCRETION RESULT IN THE TERMINATION OF THE AGREEMENT, ANY SCHEDULE, OR OCLC SERVICE.

Section 11 Warranties

OCLC warrants that any Professional Services will be performed in a professional and workman-like manner and that, when operated in accordance with the Product Description, the Products and Hosted Services will be capable of performing substantially in accordance with the functional specifications set forth in such Product Description. If any Products or Services fail to comply with the warranty set forth above, OCLC will make reasonable efforts to correct the noncompliance provided that OCLC is given notice of the noncompliance within 30 days and OCLC is able to reproduce the noncompliance. If OCLC is unable to correct the noncompliance, Institution may terminate the Schedule for the relevant Product or Hosted Service in accordance with Section 5.2(c) and, as its sole remedy, will be entitled to a refund of an equitable portion of fees paid for the relevant Product or Hosted Service after such noncompliance was reported. OCLC and Institution each warrant that its entry into this Agreement does not violate any other agreement to which it is a party, and that its performance under this Agreement will be in conformance with all applicable laws and government rules and regulations. Institution warrants that it possesses all rights necessary to enter into this Agreement and grants the rights described in this Agreement such that OCLC will not infringe upon or otherwise violate any intellectual property rights or other rights of a third party or violate any laws by exercising the rights and licenses granted under this Agreement. To the extent permitted by law, Institution hereby indemnifies OCLC from any such claims in this respect.

Section 12 General

12.1 OCLC Membership. As a subscriber to OCLC’s Services and Products as described in this Agreement, Institution – and each library owned or operated by Institution – may be eligible for membership in the OCLC cooperative. Membership qualifications for the OCLC cooperative can be found at <http://www.oclc.org/content/dam/oclc/membership/Membership->

[Criteria-FY15.pdf](#). If Institution's subscription qualifies it as a member, Institution permits OCLC Member Relations to contact its library staff directly in separate communications, to provide new member information regarding voting and updates, Member groups, councils, and events, for OCLC Global and Regional Councils specific to Institution's region. As a member, Institution agrees to abide by the requirements and policies applicable to OCLC members.

- 12.2 No Assignment.** Institution may not assign, without the prior written consent of OCLC, any rights, duties, or obligations under this Agreement to any person or entity, in whole or in part.
- 12.3 Independent Contractors.** The relationship of the parties is that of independent contractors, and no agency, employment, partnership, joint venture, or any other relationship is created by this Agreement.
- 12.4 Force Majeure.** Neither party shall be responsible for losses or damages to the other occasioned by delays in the performance or the non-performance of any of said party's obligations (other than the obligation to make payments when due) when caused by acts of God, acts of the other party or any other cause beyond the control of said party and without its fault or negligence.
- 12.5 Non-Waiver.** A failure or delay in enforcing an obligation under this Agreement does not prevent enforcement of the provision at a later date. A waiver of a breach of one obligation does not amount to a waiver of any other obligation, and it will not prevent a party from subsequently requiring compliance with that obligation.
- 12.6 Severability.** If any provisions of this Agreement shall be found by any court of competent jurisdiction to be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of this Agreement.
- 12.7 Entire Agreement.** If Institution's accounting representatives require the use of a purchase order to facilitate payment for Products and Services contemplated in this Agreement, Institution agrees any and all terms and conditions contained in such purchase order are null and void, and do not apply to this Agreement. OCLC will provide invoices in response to purchase orders solely to facilitate payment and for the convenience of Institution; in no case, however, will OCLC's issuance of an invoice constitute an acceptance of terms contained in a purchase order. OCLC provides Services and Products to Institution solely pursuant to this Agreement; OCLC shall never provide Services or Products pursuant to, or as a result of, a purchase order. Except as otherwise provided herein, this Agreement may not be amended or supplemented except in a writing duly executed by both parties. For avoidance of doubt, this Agreement is entered into with Institution in conjunction with Institution's contracts for cataloging and interlibrary loan group services (LIB21-0019LS) and for the Montana Memory Project content management system (LIB21-0023LS).
- 12.8 Notice.** Except as stated elsewhere in the Agreement all notices shall be in writing and shall be deemed sufficient if (a) received by a party via e-mail to the e-mail address for such party set forth in Section 1, (b) delivered by hand, or (c) sent by certified or registered mail, return receipt requested, to the address for such party set forth in Section 1, or to such other address as has been furnished by means of a notice given in accordance with this Section.

- 12.9 Counterparts.** This Agreement may be executed in counterparts and/or via facsimile transmission or electronic copy, any one or form of which will be deemed to constitute an original, but all of which will constitute one instrument.

Section 13 Special Terms for Group Orders Only

Where a lead institution in a consortium (the "Group Administrator") is ordering on behalf of itself and other consortium members, Section 13 applies:

- 13.1 Ordering.** Group Administrator may order the Service on behalf of consortium members by completing the relevant portions of the agreed upon pricing or order document and agreeing to this Agreement. Group Administrator also orders and allocates authorizations and passwords for the Service on behalf of consortium members listed on the agreed upon pricing or order document. Group Administrator is not a buyer of the Service for resale. Any material change in group membership or group participation may result in commensurate changes in the fees for the applicable Service.
- 13.2 Consortium Member's Agreement.** Group Administrator warrants, as the consortium agent, that it is authorized to and hereby binds consortium members to this Agreement and shall indemnify OCLC from all loss, expense and damage arising from a breach of such warranty. Group Administrator shall provide each consortium member with a copy of this Agreement prior to Product and Service activation. Each order for consortium members shall constitute a binding contract between OCLC and the consortium member.
- 13.3 Payment by Group Administrator.** Group Administrator shall be liable for paying to OCLC all charges and applicable taxes for consortium members for the Products and Services in accordance with the terms of this Agreement.
- 13.4 Non-exclusivity.** Nothing herein shall limit OCLC's right to distribute any Products or Services independent of Group Administrator.

ATTACHMENT A – OCLC SERVICE LEVEL AGREEMENT

This Service Level Agreement sets forth the service level and performance objectives of OCLC in providing the Hosted Services (as listed in Section 1 of this SLA) to Institution (the “Systems”). OCLC will use commercially reasonable efforts to meet the following service level and performance objectives to support the operation of the Systems.

1. Covered OCLC Services

This SLA applies only to Hosted Services that are: (1) listed below; and (2) subscribed to by Institution.

WorldShare Acquisitions
WorldShare Circulation

WorldCat Discovery Services
Hosted CONTENTdm
Hosted EZproxy
WorldShare Interlibrary Loan
WorldShare License Manager
WorldShare Collection Manager
WorldShare Record Manager
Tipasa

2. Uptime Commitment

OCLC will use commercially reasonable efforts to ensure that the Hosted Services are available 99.5% of the time (the "Uptime Commitment"). Availability will be measured as follows:

- Availability = (T-D)/(T) * 100%
- T = the total number of minutes in the respective month.
- D = the total number of minutes of downtime in the month excluding planned outages for scheduled maintenance, telecommunications or power disruptions caused by third parties, any other causes beyond OCLC’s reasonable control, and excluding other times described herein.

OCLC will notify Institution promptly of any factor, occurrence, or event coming to its attention likely to affect OCLC's ability to meet the Uptime Commitment, or that is likely to cause any material interruption or disruption in the Hosted Services.

Scheduled maintenance may occur any Sunday during a 4-hour window and may occasionally be extended. Notice of scheduled maintenance shall occur 3 days prior to scheduled downtime. In the event planned emergency maintenance is required, OCLC will make commercially reasonable efforts to notify Institution in advance.

3. Systems Management

3.1 Monitoring. OCLC will monitor and maintain the Systems in working order each day (24 x 7). OCLC will proactively manage and monitor all application server hardware devices and software to ensure optimal performance and reliability as well as to detect abnormal events or exceeded utilization or performance thresholds.

3.2 Maintenance. OCLC will operate, monitor and administer all servers, applications and networks supporting the OCLC Services. In order to provide such coverage, OCLC may utilize a mixture of on-site and on-call support staff, automated server monitoring and automated paging technology.

3.3 Change Control. OCLC will install new equipment, software, releases, upgrades, fixes, patches and other items necessary to maintain the Systems to industry standards. OCLC will proactively gather information from appropriate server, peripheral, operating system or database vendors regarding upgrades, defect patches or fixes.

SCHEDULE 3
WorldCat Discovery Services

DESCRIPTION

WorldCat Discovery Services is a suite of cloud-based applications that enable people to search WorldCat® and discover more than 2 billion electronic, digital and physical holdings in a single search.

Additional Terms and Conditions:

All capitalized terms not defined herein shall have the same meaning ascribed to them in the Master Services Agreement.

1) Discovery Service:

- a. The Bibliographic Data, Holdings Data, OCLC and/or 3rd party databases and other content available through the Service may change from time to time and are subject to OCLC and/or third-party claims of copyright and other rights and may be subject to supplemental terms and conditions. The Product Description, documentation, features and/or functionality of the Service, and/or the WorldCat.org service may also change from time to time. In the event any such change materially reduces Institution's rights with respect to the Service or the WorldCat.org services Institution may terminate this Schedule by providing written notice to OCLC. Certain databases may only be accessed if Institution subscribes to that database through a third party.
- b. Bibliographic Data may not be stored other than temporarily as required for use authorized by the Agreement and shall not be otherwise transferred, or accessed by any other person not an Authorized User.
- c. Use of the Service for cataloging purposes is expressly prohibited. Institution may not resell the Service or the Bibliographic Data or other content accessible through the Service.
- d. Certain parts of the Service function properly only when interacting with a local library system which is compatible with and supported by the Service. A list of local library systems which are compatible with and supported by the Service is available from OCLC. Prior to placing its order, Institution should verify that its local library system is compatible with and supported by the Service.
- e. In the event Institution's local library system is or becomes incompatible with or unsupported by the Service at any time during the term of this Agreement OCLC may if requested by Institution make reasonable efforts to resolve the issue at OCLC's then current rates. If such efforts are unsuccessful OCLC or Institution may terminate this Schedule upon written notice to the other party.

2) Third Party Database Terms:

- a. **British Library Database.** Bibliographic Data made available from the British Library is licensed solely for non-commercial use. For the purpose of this Section "Non-Commercial Use" means internal or personal use solely for the purpose of resource discovery, learning, teaching, academic, or scientific research, private study, verification of bibliographic information, and/or the identification of materials to be ordered via interlibrary loan, from document vendors, or from other sources from which materials may be acquired, and specifically excludes transmission, selling on, redistribution or circulation of any form outside of Institution's organization or use in violation of the Agreement.
- b. **National Library of Medicine (NLM Database).** Organizations or institutions may download NLM-produced citations and reuse these records within their organization or institution. NLM suggests that organizations limit the number of records to 1,000 per month. Since NLM makes corrections and enhancements to and performs maintenance on these records at least annually, you should plan to replace or correct the records once a year to ensure that they are still correct and searchable as a group.

NLM databases are produced by a U.S. government agency and as such the contents are not covered by copyright domestically. They may be copyrighted outside the U.S. Some NLM produced data is from copyrighted publications of the respective copyright claimants. Users of the NLM databases are solely responsible for compliance with any copyright restrictions and are referred to the publication data appearing in the bibliographic citations, as well as to the copyright notices appearing in the original publications, all of which are incorporated by reference. Users should consult legal counsel before using NLM-produced records to be certain that their plans are in compliance with appropriate laws.
